

CLIP'N'CLIMB

October HAF Sessions are NOW OPEN!

Our FREE October HAF sessions at Summit Up are now ready to book.

Children can enjoy an action-packed session including:

Clip 'n Climb

Fun games and challenges

A hot, healthy meal and snacks

A safe, supportive environment with our friendly team

Places are FREE for eligible children with an Oldham HAF code, but spaces are limited and our sessions are always very popular. Please only book if your child can attend. If your plans change, please cancel your booking in advance so we can offer the space to another child.

If you book and do not attend without letting us know, you may not be able to book future Summit Up HAF sessions.

We want as many local children as possible to enjoy our HAF sessions, so please help us make sure no spaces go unused.

We look forward to seeing you at Summit Up!
