Message from the Fire Service

Bonfire night and Halloween should be fun, but they can also bring serious fire risks. Greater Manchester Fire and Rescue Service is encouraging families to attend organised firework and bonfire events wherever possible, but if you are planning your own firework event you should follow the [Firework Code](#). If children are dressing up for Halloween, please check costumes are UKCA or CE marked so they meet the required safety standards. Keep all costumes away from naked flames, including candles, and consider using LED candles instead. Please help everyone enjoy the season safely by talking to children and young people about bonfire and firework safety, respectful behaviour and staying visible when out after dark.
